

STATE OF NEW HAMPSHIRE  
DEPARTMENT OF ENVIRONMENTAL SERVICES  
AIR RESOURCES DIVISION  
CONCORD, NEW HAMPSHIRE

**NOTICE OF TITLE V PERMIT REVIEW**  
**PUBLIC HEARING AND COMMENT PERIOD**

Pursuant to the New Hampshire Code of Administrative Rules, Env-A 622.02, notice is hereby given that the Director of the New Hampshire Department of Environmental Services, Air Resources Division (Director), has received a Title V permit application from, and based on the information received to date, intends to issue such Title V permit to:

**Sprague Energy Corporation**

Located at:

**194 Shattuck Way**  
**Newington, NH 03801**

Sprague Energy Corporation (Sprague) is a bulk gasoline terminal with ancillary asphalt storage and truck loading facilities. Gasoline received by barge or ship is transferred to any one of three aboveground storage tanks. The gasoline is then transferred to tank trucks via a truck loading rack for hauling to retail locations using submerged loading. The gasoline vapors displaced from the loading trucks are captured and destructed by a vapor incinerator. This facility also stores and distributes aviation gasoline. Sprague has applied for renewal of a Title V operating permit in accordance with Env-A 609 and the draft permit covers operation of the equipment noted above.

The completed application and draft permit is on file with the Director, New Hampshire Department of Environmental Services, Air Resources Division, 29 Hazen Drive, P.O. Box 95, Concord, NH 03302-0095, (603) 271-1370. Information may be reviewed at the office during working hours from 8 a.m. to 4 p.m., Monday through Friday. A copy of the application and draft permit are also available for review at the Town Clerk's Office in Newington, NH. Additional information may also be obtained by contacting **Padmaja Baru** at the above address and phone number. Requests for a public hearing and/or written comments filed with the Director in accordance with Env-A 622.05, and received no later than, **Thursday, May 25, 2006**, shall be considered by the Director in making a final decision.

Robert R. Scott  
Director  
Air Resources Division
